Hello Erin,

Hope you are well and that you enjoyed the Holidays. Thank you for your letter of December 15, 2021 responding to ECRCO's acceptance of EPA Complaint Number 02R-21-R6 (by letter issued on October 15, 2021, electronically transmitted). We have reviewed and considered your response and believe a conversation would be helpful to address some of the issues TCEQ raises in its response, including TCEQ's concerns regarding the limits of state and federal environmental laws in addressing civil rights obligations, concerns regarding the complaint not being timely filed, concerns regarding the pending Title V petition and its impact on this Title VI complaint, and any other questions you might have. I am hoping we can also discuss the possibility of resolving this complaint through the informal resolution process. Please let us know your availability for such a meeting. We look forward to discussing these issues with you.

Regards,

Lilian
